

Avery Dennison Fastener Solutions Order Assured Product List (Swiftach Only)

Inventory Class	Service Definition
A	A-Level classifications guarantee the entire line item on a customer order will ship within 1-3 days after receipt of order.
B	B-Level classifications guarantee that the line item may ship in full (if inventory is available) or a portion of the line item will ship within 1-3 days after receipt of order. Line items with partial quantities will be scheduled with firm ship dates for both the initial shipment and balance of the line item.
C	C-Level classifications guarantee the entire line item on customer order will ship in full with a firm ship date.

Additional details about the Order Assured Program can be found at averydennison.com/orderassured or via customer service at 800-225-5913. Order Assured program terms and conditions valid as of March 15, 2017 for orders processed through Fastener Solutions, Fitchburg, MA USA facility for the U.S. and Canada. Minimum order of \$250.00 is required for eligibility within Order Assured program. All orders must meet existing selling unit of measure. Product or customer minimum order quantity (MOQ) exceptions and automotive customers not eligible. Not valid on prior orders or open purchase orders placed prior to October 3, 2016. Order Assured program available for a limited time. Avery Dennison reserves the right to discontinue program at sole discretion at any time. For additional terms and conditions visit averydennison.com/orderassured
