

DOL 6460 Gloss Overlamine

Ultimate conformability and durability for both vertical and horizontal applications

DOL 6460 Gloss is a high performance digital overlamine developed specifically for extended durability in both vertical and horizontal applications. Pair this overlamine with our MPI 1105 cast series vinyl for exceptional durability and conformability, even on surfaces such as vehicle hoods and rooftops.

KEY FEATURES:

- > High gloss finish and highly conformable
- > PVC Free
- > Up to 6 years vertical and 3 years horizontal durability
- > Scratch and abrasion resistant
- > Self Healing properties

KEY BENEFITS:

- > Lower advertising costs as a result of extended durability
- > Simplified application due to enhanced conformability
- > Performs great on vehicles & outdoor applications
- > Pairs great with MPI 1105 films
- > Enhances color and depth of the image

*Available in 54" & 60" rolls

“Avery Dennison DOL-6460 laminate has increased the longevity of our vehicle wraps greatly. Especially on horizontal surfaces such as hoods, roofs and trunks that our Arizona Sun can typically ravage. We recently inspected a vehicle we wrapped over a year ago and discovered that it still looks as good as the day we completed the wrap.”
