

Avery Dennison® Q-Service® Tag and Label Printing Program

PRINTED LABELS AND TAGS DELIVERED TO YOUR DOOR

Avery Dennison Q-Service Tag and Label program is a print-to-order service specially designed for customers who don't have access to an on-site printer or who may need additional printing support for their labels and tags, including RFID.

With hundreds of stocked labels, tags and high quality RFID supplies to choose from, we can print a wide range of text, barcodes and graphics (in black only) and encode RFID chips to meet your needs. Just tell us a size and type of supply you need and we'll develop a quote for you.

Once your order is completed, we'll ship them right to your door.

TURNAROUND AND LEAD TIMES

The 'Q' in Q-Service stands for 'Quick' - the turnaround time is approximately 48 hours for repeat orders using stocked items, during normal business hours. Lead time on your initial order varies due to the time it will take to design and approve your label format.
