

Avery Dennison® Monarch® 1110® Handheld Labeler

SMALL LABELS, EFFICIENT PRICEMARKING

The Avery Dennison Monarch® 1110® handheld labeler is a great solution for small or uniquely-shaped merchandise where the labeling space is limited and requires smaller labels, like item-marking in the carton. It's so quick and easy to use, customers have reported marking 18-item cases in only five seconds.*

EASY-TO-READ LABELS IMPROVE CHECKOUT ACCURACY

Print is clear and easy to read so no question about pricing at checkout.

LARGE SELECTION OF STOCK AND SECURITY LABELS

- Solid fluorescents
- Preprinted promotional messages
- Special features such as security slits to deter price switching are available

ABOUT MONARCH LABELERS

- Red "touchpoints" are incorporated throughout the labelers to help guide the user through important tasks such as loading, clearing jams and removing the ink rollers
- Instructional videos are easily accessed by scanning the QR code conveniently located on the labeler
- Most labelers take about 75% less time to load labels and roughly 97% less time to change ink rollers than other similar labelers on the market
- Made in the USA from practically indestructible ABS plastic and drop tested to ensure they'll last for decades
- All of our labelers are covered by a one-year warranty and we also offer 48-hour turnaround repairs on all labelers
