

Avery Dennison® Tamper Evident Gas Pump Security Labels

PROTECT CUSTOMER CREDIT CARD INFORMATION

Non-residue security labels are an effective tool to help combat tampering at gasoline pumps and dispensers. Utilize them on all access hatches and doors to protect your pumps from the insertion of credit card skimming devices.

Security labels combat gas pump tampering by detecting most skimming device data theft and alerting staff to improper activity if a label is broken.

KNOW WHEN PUMPS HAVE BEEN COMPROMISED

The words VOID OPEN appear in the label film alerting staff to improper activity.

COMPLY WITH PAYMENT CARD INDUSTRY MANDATES

This tamper evident label assists in meeting payment security standards at the dispenser, saving the retailer expensive pump upgrades.

ELEVATING BRANDS. ACCELERATING PERFORMANCE.
